FOR IMMEDIATE RELEASE

Fridays are GIRLS' NIGHT OUT At VAMP THE LOUNGE

Ladies Buy One Get One FREE on Hot August Friday Nights!

August 1, 2007, Long Beach, CA - Stargazer Productions and the Queen Mary announce a refreshing answer to those sultry summer Southern California nights: every Friday night in August, Ladies who buy one general admission to our provocative Burlesque show at **VAMP THE LOUNGE**, can bring a girlfriend for FREE (that's two general admissions for the price of one). This special runs only on Friday nights during the month of August, but there's NO LIMIT to the number of LADIES who can take advantage of GIRLS' NIGHT OUT. **VAMP** presents the perfect fusion of Vegas-style naughtiness with Queen Mary luxury, offering a delightful alternative for bridal showers, bachelorette parties, club-goers, bar-hoppers, or simply a group of girls looking for fun on a Friday night. (You can bring your guys along too, but only the gals can take advantage of this admission special.)

Speaking of men, the show at **VAMP THE LOUNGE** may be home to the Queen Bees (our voluptuous burlesque dancers and divas), but two luscious men also join in to intoxicate us: crooner Justin Figueroa woos the audience and cavorts onstage with the Queen Bees, accompanying their erotic undulations with both song and guitar. Meanwhile, stand-up comedian Andrew Santino

adds a shot of laughs during two intermission breaks. Santino, the master of witty repartee, brings a raw, uncensored, impromptu humor to the otherwise carefully scripted and choreographed performance.

VAMP THE LOUNGE is the creation of Los Angeles-based choreographer Corey Burrell and Executive Producers Todd and Jennifer Vigiletti of Stargazer Productions. Stargazer Productions, also the parent company of TIBBIES Great American Cabaret aboard the Queen Mary, has a long history of bringing elegant dining and extravagant entertainment to Southern California.

The local media is singing **VAMP**'s praises. Long Beach Magazine declares that "**VAMP**'s Friday and Saturday 11pm shows couldn't be a more perfect event for celebrations, date nights, and everything in between", while Destinations Magazine heralds **VAMP** as "...an innovative approach to classic burlesque by adding a touch of Broadway without any nudity."

VAMP boasts sumptuous wines, delectable appetizers, and even avant-garde drink mixology, with handcrafted martinis mixed tableside. Opening Friday and Saturday at 11:00pm, **VAMP** is intimate entertainment strictly for guests 21 and over. General admission is \$15 per person (or buy one get one FREE for GIRLS NIGHT OUT), and there is a two drink minimum for the entire evening's merriment; parking is included.
